REMARKS

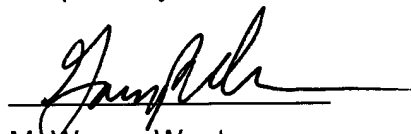

Applicant submits this petition to amend a claim of priority in the pending application pursuant to 37 C.F.R. 1.78(a)(3). Accordingly, the pending application inadvertently claimed benefit to a previously filed application, serial number 09/853,172. The application should have correctly claimed priority to application serial number 09/956,431. Applicant submits that the entire delay for filing the proper claim of priority was unintentional and respectfully requests acceptance of this petition.

CONCLUSION

Please charge Deposit Account No. 08-2025 for the required fee of \$1,370.00 as specified in 37 C.F.R. 1.17(t). In any other event remediable by a fee, please credit any over payment or charge any additional fees to the above deposit account.

Dated this 2nd day of December, 2004.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "M. Wayne Western", is written over a horizontal line.
